## **Oh! Gravity**

## **Switchfoot**

Theres a fracture in the color bar In the backseat of a parked car By the liquor store where the streetlight Keep you company 'til the next nightIn the same town, theres the same scar In the same glow of the liquor store By the freeway, where the headlight Keep her company' til the next nightOh! Gravity Why cant we seem to keep it together? Sons of my enemies Why cant we seem to keep it together?In the back room of the Pentagon Theres a thin man with a line drawn With a red jaw and a red bite Watch the headline on the next nightOh! Gravity Why cant we seem to keep it together? Sons of my enemies Why cant we seem to keep it together? Why this tragedy? Why cant we seem to keep it together? **Oh!** Gravity Why cant we seem to pull it together?In the fallout, the fallout We found out the hype wont get you through Were connected, connected I meant it, the hype wont get you through, throughOh! Gravity Why cant we seem to keep it together? Oh! Gravity Why cant we seem to pull it together? Why this tragedy? Why cant we seem to keep it together? **Oh!** Gravity Why cant we seem to pull it together now?La la la Let's pull it together
