Oh! Gravity

Switchfoot

Theres a fracture in the color bar
In the backseat of a parked car
By the liquor store where the streetlight

Keep you company 'til the next nightIn the same town, theres the same scar

In the same glow of the liquor store

By the freeway, where the headlight

Keep her company' til the next nightOh! Gravity

Why cant we seem to keep it together?

Sons of my enemies

Why cant we seem to keep it together? In the back room of the Pentagon

Theres a thin man with a line drawn

With a red jaw and a red bite

Watch the headline on the next nightOh! Gravity

Why cant we seem to keep it together?

Sons of my enemies

Why cant we seem to keep it together? Why this tragedy?

Why cant we seem to keep it together?

Oh! Gravity

Why cant we seem to pull it together? In the fallout, the fallout

We found out the hype wont get you through

Were connected, connected

I meant it, the hype wont get you through, throughOh! Gravity

Why cant we seem to keep it together?

Oh! Gravity

Why cant we seem to pull it together? Why this tragedy?

Why cant we seem to keep it together?

Oh! Gravity

Why cant we seem to pull it together now?La la la

Let's pull it together
