

# Moon Kittens

## Bellowhead

We're all in the dumps for diamonds are trumps  
The kittens have gone to St Paul's  
The moon's in a fit the babies are bit  
And the houses are built without walls my boys  
The houses are built without wallsAh ah ah ah-a-ah  
Ah ah ah ah-a-ah  
Ah ah ah ah-a-ah  
Ah ah ah ah  
And the moon is our love in her boudoir above  
And the owl and the nightjar our band  
And we've sent all the stars to fight in our wars  
While here in the wreckage we stand my boys  
While here in the wreckage we standAh ah ah ah-a-ah  
Ah ah ah ah-a-ah  
Ah ah ah ah-a-ah  
Ah ah ah ah  
We're all in the dumps for diamonds are trumps  
The kittens have gone to St Paul's  
The moon's in a fit the babies are bit  
And the houses are built without walls my boys...
