

Apocalypse

Full Blown Chaos

For every scar
A lesson learnedHeed the word hear the cries
Four horseman at my door
Your mistake
Killed all my problems so f**k your solutionsEvil runs, evil runs through my veins
Damned my eyes, blood from wineAngels will be burnt offerings
Plucked from the sky
Burn down the heavens
And infest the world
Genocide for your actions
Prayers the same as poisoned lies
Gospel of your demiseNo escape - Drown in agonyOpen the gates - Arise
Dawn of apocalypse
Obey the way of old
Dawn of apocalypseMade in his image
You'll die the sameEvil runs through my veinsI hope you suffer alone
And you drown in agony
Open the gates - Arise
Dawn of apocalypse
Obey the way of old
Dawn of apocalypse
