Atom

Bunkier

I'll be the first to admit
This is a bright but haunted age
I just don't know now, now
I just can't say, hey, heyWhen you get down
Down to the heart and the bones of it
Thats when it breaks, you know
Thats when it falls apart
But thats the prize nowOh, caveat emptor, open the atoms core
But thats the prize now
Oh, caveat emptor, open the atoms core
Oh, caveat emptor, open the atoms core, ohOh, oh, I just dont get itAnd you keep slipping
Down the surface of things
I just cant take it now
I just cant wait for moreWhen you get down
Down to the sub atomic part of it
Thats when it breaks, you know
Thats when it falls apart
Oh, caveat emptor, open the atoms core, oh, ohOh, oh, I just don't get it, get it
Oh, I just dont get it, get it
Get it, get it, get it, get it, get it
I just don't get it, ohNo, I, I just don't get it
No, I, I just don't get it
Just dont get it, get itGet it, get it, get it, get it
Get it, get it, get it, get it
Get it, get it, oh, get itWhats wrong with you?
Hey, lad
