

# Atom

## Bunkier

I'll be the first to admit  
This is a bright but haunted age  
I just don't know now, now  
I just can't say, hey, heyWhen you get down  
Down to the heart and the bones of it  
Thats when it breaks, you know  
Thats when it falls apart  
But thats the prize nowOh, caveat emptor, open the atoms core  
But thats the prize now  
Oh, caveat emptor, open the atoms core  
Oh, caveat emptor, open the atoms core, ohOh, oh, I just dont get itAnd you keep slipping  
Down the surface of things  
I just cant take it now  
I just cant wait for moreWhen you get down  
Down to the sub atomic part of it  
Thats when it breaks, you know  
Thats when it falls apart  
Oh, caveat emptor, open the atoms core, oh, ohOh, oh, I just don't get it, get it  
Oh, I just dont get it, get it  
Get it, get it, get it, get it, get it  
I just don't get it, ohNo, I, I just don't get it  
No, I, I just don't get it  
Just dont get it, get itGet it, get it, get it, get it  
Get it, get it, get it, get it  
Get it, get it, oh, get itWhats wrong with you?  
Hey, lad  
Hey, lad
