

# Is It 'Cos' I'm Cool? (So Phat! Remix)

Mousse T.

Is it 'cause I'm cool  
Why you dress like me is it honesty or you just a fool  
Is it 'cause I'm cool  
Why the school kids laugh cause the papers got it wrong again  
Is it 'cause I'm cool  
Take a piece of me serve me up on a plate in your restaurant  
Is it 'cause I'm cool  
Is it 'cause I'm cool  
Is it 'cause I'm fly  
'cause I said what I said when I said what I said but I didn't say  
Is it 'cause I'm hip  
Why you dig my shit and you say I am a fan now I understand  
Is it 'cause I'm hot  
Why you mention me in your V.I.P memories  
Is it 'cause I'm cool  
Is it 'cause I'm cool  
I ain't buying or selling today  
I'm just looking around  
For some decent conversation  
No hidden agenda  
No phony pretender  
No holding on out for no sweet sixteen  
Or peppermint dream  
I'll call you please don't call me  
Is it 'cause I'm cool  
Is it 'cause I'm cool  
Is it 'cause I'm Smart  
Why you break my heart with the lies you tell baby kiss and tell  
Is it 'cause I'm wrong  
That you jump right in with no discipline baby sink or swim  
Is it 'cause we're friends why you use my name just to entertain yeah  
Is it 'cause I'm cool  
Is it 'cause I'm cool  
Time keeps ticking and running away  
And It's taking us fast to a brand new free dimension  
Too cool to mention well that's the intention  
But some of us too dame blind to see  
It's setting us free  
To say goodbye to jealousy  
Is it 'cause I'm cool  
Is it 'cause I'm cool
