Tremble

Bitter Grace

Shaking like a leaf
Afraid to lift my eyes
Afraid of all Your glory
Ashamed of all my prideThen You call me in
To Your holy place
I fall down
Down on my faceAnd I beckon You for mercy
And I beckon You to forgive
Everything that I've ever doneAnd I, I, I tremble
And I, I, I trembleI am just a man
Showered in Your grace
You're the holy God
Your glory fills this placeAnd I beckon You for mercy
And I beckon You to forgive
Everything that I've ever doneAnd I, I, I tremble
And I, I, I tremble
I tremble, I trembleAnd I, I, I tremble
And I, I, I tremble
I, I, I tremble
And I, I, I trembleAnd I, I, I tremble
And I, I, I tremble
I tremble, I tremble
