

Born Again (French Horn Rebellion Remix)

Newsboys

Oh yeah yeah yeah yeah
Oh yeah yeah yeah yeah
I found myself looking into the mirror
Knew I wasn't who I wanted to be
I was living like the way that I wanted
But my eyes reminded me I'm not free.
Believed a lie so, everything that I know
Says I got to go, tired of going solo
But I'm never gonna go there again. This is what it is
This is who I am
This is where I finally take my stand
I didn't want to fall
But I don't have to crawl
I met the One with two scarred hands
Giving him the best of everything that's left of
The life inside this man
I've been born again (Yeah, yeah, yeah, yeah, yeah) I see you walking like your living in fear
Having trouble even looking at me
Wishin' they would give you more than words
Sick of people telling how it should be (How it should be)
What's your download, where'd you get your info,
You saw that I'm show now your in the inload
Gonna tell you what I believe This is what it is
This is who I am
This is where I finally take my stand
I didn't want to fall
But I don't have to crawl
I met the One with two scarred hands
Giving him the best of everything that's left of
The life inside this man
I've been born again (Yeah, yeah, yeah, yeah, yeah) We are the ones they call by name
(I'm never gonna look back)
Let go let go the guilt the shame
(Said I'm never gonna look back)
This is who I am This is what it is
This is who I am
This is where I finally take my stand
I didn't want to fall
But I don't have to crawl

I met the One with two scarred hands
Giving him the best of everything that's left of
The life inside this man
I've been born again (This is what it is)(This is who I am)
(I didn't want to fall)
(But I don't have to crawl)
I met the One with two scarred hands
Giving him the best of everything that's left of
The life inside this man
I've been born again
I've been born again
