Pretty Wings

Maxwell

Time will bring the real end of our trial One day they'll be no remnants No trace, no residual feelings within ya One day you won't remember me Your face will be the reason I smile But I will not see what I cannot have forever I'll always love ya, I hope you feel the same Oh, you played me dirty, your game was so bad You toved with my affliction, had to fill out my prescription Found the remedy, I had to set you free Away from me to see clearly The way that love can be when you are not with me I had to leave, I had to live I had to leave, I had to live If I can't have you let love set you free to fly your pretty wings around Pretty wings, your pretty wings Your pretty wings, pretty wings around I came wrong, you were right Transformed your love into like Baby believe me, I'm sorry I told you lies I turned day into night, sleep till I die a thousand times I should have showed you better nights, better times, better days I miss you more and more If I can't have you let love set you free to fly your pretty wings around Pretty wings, your pretty wings Your pretty wings, your pretty wings around Pretty wings, your pretty wings Your pretty wings, your pretty wings around Pretty wings, pretty wings Pretty wings, your pretty wings around Pretty wings, your pretty wings around

Pretty wings, your pretty wings around
