

# Ray Gun

## Thin Lizzy

I know someone  
Doesn't believe in God  
Someone I know  
He doesn't even know God  
He came from a planet  
Three thousand miles away  
Just a short trip  
A kind of brief holiday  
Can you give someone  
Somewhere to stay?  
I gotta warn you, he's gotta gun  
I gotta warn you, he's gotta gun  
I know someone  
Came on a short trip  
Traveling lightly  
Traveling by spaceship  
He came from a planet  
Three thousand miles away  
Can you give someone  
Somewhere to stay?  
I gotta warn you, he's gotta gun  
Oh look out woman  
A ray gun
