

# Born to Be

[nano](#)

They bring me down  
All the world is stereotypical  
Playing out rules, but act out another  
Look now, you thought you had me by the upper-hand  
But I see through the face you've covered cynical

Four, unleash the beast that lies inside of you  
Three, take on the fire that burns in front of you  
Two, let out the fear you feel surrounding you  
One, become the soul that you were born to be

Tatoe ima made ikita SUTORATAJII wo miushinatte mo (It's time now)  
HANDORU wo kitte abareru yume no mama tsukisusume  
SURIRU no nai jinsei ni idomu nara  
Imi mo nai kanjou wo idaku nara  
Kakugo wo kimeteku'n darou  
Jibun jishin wo BREAK AWAY

Subete wo ubawareru unmei nara  
Nani wo shinjite ikite iku'n da  
Ask yourself the way  
There's nothing to lose or die for!

Kako no kizu wo osoreru nara  
Mirai sae mo suteru you na mon da  
The choice is yours to make  
This is what I choose to live for!

Tsumi no ishiki wo suteru tame ni  
Gamushara ni hashiridashita  
Mujun shita kireigoto narabete mo  
Imasara imi mo nai darou?

"Gisei wa jibun dake de ii" nante  
Seigi no kamen wo kamuttatte  
Uwabe no HIIROO ni nare yashinai  
Sonna no jikan no muda darou?

Whatever your life throws at you, take it head on  
Gotta prove yourself that this is how it goes

Whatever you choose to aim for, make or break it  
Gotta live today like it could be your last

Tatoe kono saki erabu michi ga wakaranakute mo (It's alright)  
HAIWEI wo tobashite takanaru kodou no mama oikoshite ike  
SUPIIDO no nai genjitsu ni makeru nara  
Ate mo nai unmei wo egaku nara  
Jinsei wo tsukande iku'n darou  
Jibun jishin wo LEAD THE WAY

Bokura no ushinawareru jikan no naka  
Nani wo kanji omoidasu no?  
Pray your heart to stay  
So much you could find to live for

Hibi no mukui wa chiisakute mo  
Ima ni makasearuite ikeba  
Then you'll find the way  
This is the day

Subete wo ubawareru unmei nara  
Nani wo shinjite ikite iku'n da  
Ask yourself the way  
There's nothing to lose or die for!

Kako no kizu wo osoreru nara  
Mirai sae mo suteru you na mon da  
The choice is yours to make  
This is what I choose to live for!
