

# Vanished

## KLEF

[Verse 1]

In the dark , We come out and play  
We are its children, And were here to stay  
Running through , Hungry for strays  
No invitation, take me away  
Im not cruel, But thats still what you see  
Club to club, Come see this city with me  
Hungry for life, Without your pity  
I dont want it, But you give itStill cant say she wont start up  
Still cant say she wont start up a fight  
You go city

Cause in the city of life she cant she cant wait[Verse 2]

In the darkness, A killer awaits  
To kill a life, And the lies you make  
You do another, So this death can live  
Just keep on dancing, To the movie your in  
The smell of your sweat, Just lures me in  
Your heartbeat, Does sing to me  
Running feet, Beats my blood  
My ghost inside you, Soon will beStill cant say she wont start up  
Still cant say she wont start up a fight  
You go city

Cause in the city of life she cant she cant waitHungry for strays, hungry for life, no invitate your pity  
[x8]I dont want sex but you give itStill cant say she wont start up  
Still cant say she wont start up a fight  
You go city

Cause in the city of life she cant she cant wait [x2][Verse 3]

Now its over, You've taken your life  
The dark grows thin, And I'm left to hide  
I don't regret it, But its sad anyway  
Now were both dead, And scared of the black  
This life of games, And diligent trust  
Its the things we do, Or the things we must  
Im now tired of being cussed  
So go sleep forever end to dust
