Brian, I could use a little bit more monitor.

Hello hello, can't you turn up any more than that?

Hello hello, hey!

Alright!

Pardon me folks. The name of this song is penguin in bondage,

An' it's a song that ah, deals with the possible variations on

A basic theme which is...well,

You understand what a basic theme is.

And then the variations include ah, manoeuvres that might be

Executed with the aid of ah, extra-terrestrial gratification

And devices which might or might not be supplied in a local

Department store or perhaps a drugstore but at very least in

One of those fancy new shops that they advertise in the

Back-pages of the free press.

This song suggests to the suggestible listener that the

Ordinary procedure ah,

That I am circumlocuting at this present time in order to get

This text on television,

Is that ah, if you wanna do something other than what you

Thought you were gonna do when you first took your clothes off

And you just happened to have some devices around...

Then it's, it's not only okay to get into the

Paraphernalia of it all but...hey!

What did he say? ready? She's just like a penguin in bondage, boy

Oh yeah, oh yeah, oh...

Rennenhenninnahenninnenninahennn
Way over on the wet side
Of the bed (knirps for moisture)Just like the mighty penguin
Flappin' her eight ounce wingsLord, you know it's all over
If she comes atcha on the strut & wrap `em
All around yer headFlappin her eight ounce wings, flappinummShe's just like a penguin in bondage, boyShake
up the pale-dry
Ginger ale
Tremblin' like a penguin
When the battery failLord, you must be havin' her jumpin' through
A hoopa real fire
With some kleenex wrapped around a
Coat-hang wireShe's just like a penguin in bondage, boy
Oh yeah, oh yeah, oh...
Rennenhenninnahenninneninahenn
Howlin' over to some
Antararticulated moonIn the frostbite nite
With her flaps gone white
Shriekin' as she spot the hoop across the roomLord, you know it must be a penguin bound down
When you hear that terrible screamin' and
There ain't no other
Birds aroundShe's just like a penguin in bondage, boy
Oh yeah, oh yeah, oh...
She's just like a penguin in bondage, boy
Oh yeah, oh yeah, oh...
Rennenhenninnahenninneninahennn
Aw, you must be careful
Not to leave her straps
Too loose`cause she just might box yer dog
She just might box yer doggie
An' leave you a dried-up dog biscuit...
