

Say It Isn't So

Gareth Gates

Skies are dark its time for rain
Final call you board the train
Heading for tomorrow I wave goodbye to yesterday
Wipe the tears that hide your face
Blinded by the sorrow How can i be smiling like before?
When baby you don't love me anymore Say it isn't so
Tell me your not leaving
Say you changed your mind now
That I am only dreaming
But this is not goodbye
This is starting over
If you want to know, I don't want to let go
So say it isn't so Ten to five at least we tried
We're still alive but hope has died
As they closed the door behind you
Whistle blows the turns of steel
Shake the ground beneath the wheels
As I wish I never found you How can I be smiling when your gone?
Will I be strong enough to carry on? Say it isn't so
Tell me your not leaving
Say you changed your mind now
That I am only dreaming
But this is not goodbye
This is starting over
If you want to know, I don't want to let go
So say it isn't so Miles and miles to go
Before I can sing
Before i can lay my love for you to sleep Oh darling, no I got miles and miles to go
before anyone will hear me laugh again Say it isn't so
Tell me your not leaving
Say you changed your mind now
That I am only dreaming
But this is not goodbye
This is starting over
If you want to know, I don't want to let go So say it isn't so Say you changed your mind now
That I am only dreaming
But this is not goodbye
This is starting over
If you want to know, I don't want to let go

So say it isn't so
If you want to know, I don't want to let go
So say it isn't so
