Feel alone
All I do is say
I alone can be your kind This is not the same
I am not the same
I can feel you come in two and three
This is not the same
I am not the same
When I feel awake Close your eyes
Everything I've seen
I this time can be your mind This is not the same
I am not the same
I can feel you come in two and three
This is not the same
I am not the same
Then I feel awake Let God cry
Then I'll wash it away
Let God cry
Then I'll wash it away Dry your eyes
Everything must change
I this time can be your life This is not the same
I am not the same
I can feel you come in two and three
This is not the same
I am not the same
Then I feel awake Let God cry
Then I'll wash it away
Let God cry
Then I'll wash it away This is not the same
I am not the same
I can feel you come in two and three
This is not the same
I am not the same
I can feel it come back home
So home Please
Let
My
My son This is not the same
I am not the same
I can feel you come in two and three

This is not the same
I am not the same
Then I feel awake This is not the same
I am not the same
I can feel you come in two and three
This is not the same
I am not the same
This is not the same
I am not the same Let God cry
Then I'll wash it away
Let God cry
Then I'll wash it away This is not the same
I am not the same
I can feel you come in two and three
This is not the same
I am not the same
I can feel it come back home
So home
