

# Heaven (Scott Wozniak Remix)

Kem

I see the way you look at me  
As if to say it's right  
I pray for you day in and day outSomething's happenin' to me  
The man I used to be, he's gone  
He gave up his life so I could go onAnd girl, holdin' the Heaven  
Where the love of a lifetime resides in you  
Girl, there's Heaven in you, babeOh girl, and it's so meant to be  
In this place where two souls collide  
There's no pain, no fear, only you and I, oh girlSomething's happenin' to me  
The man I used to be, he's gone  
He gave up his life so I could go on and onAnd girl I'm holdin' the Heaven  
Where the love of a lifetime resides  
Somewhere in you, girl, yeahI've been lookin' for Heaven, babe  
See I spent my lifetime only to find  
Heaven's in you, girl, girl  
Heaven's in you, babe  
Lookin' here I spent a lifetime  
Tryin' to find Heaven, yeahAnd girl, yeah  
Oh oh, girl  
Searchin' my lifetime  
Tryin' to find the Heaven, yeah, umm babyGotta find it, come on, girl  
Heaven's in you, babe  
Yeah, it's right there inside your heart baby, ooh girlI've been lookin' for Heaven, babe  
Where the love of a lifetime, yeah  
It resides somewhere in you, girlSee, I've been looking for Heaven, babe  
See, I spent my lifetime, baby  
Tryin' to find it  
Yeah, aah, ohh girlI want you, baby  
And I want to give my love to you  
Yeah babyHeaven's right there in your heart, girl  
Heaven's inside of you  
Heaven's inside of you, yeahHeaven's in you, Heaven's in you, babe  
It's right there on the inside  
Heaven's in you, girlYou're like Heaven  
You're the love of a lifetime  
And I find my strength in you
