Midnight Bus

Jesse Winchester

Ride me, ride me
Far and wide me
I'm young and I'm curious
Ride me, ride me
Tempt and try me
You sad old midnight busThis cold dark night
Not a star's in sight
Oh the wind sure do raise a fuss
And the only fools on the road tonight
That's the fools on the midnight bus
Ride me, ride me
Far and wide me
I'm young and I'm curious
Ride me, ride me
Tempt and try me
You sad old midnight busLa la la la la la la
La la la la la la
La la la la la laRide me, ride me
Far and wide me
I'm young and I'm curious
Ride me, ride me
Tempt and try me
You sad old midnight bus
Well now and then you'll wake up in
A little town where the good people sleep
And to see their homes so safe and so warm
Makes the midnight traveller weepRide me, ride me
Far and wide me
I'm young and I'm curious
Ride me, ride me
Tempt and try me
You sad old midnight bus
