

Do Me Right

Dynasty

Here we go
Now show you're rightDo me right baby
Do me right baby
And I'll do you the same thing too
Do me right baby
Do me right baby
I tried to make it just like youI'll open up my door to you
But honey I'll let you know
I don't want no more
I'll tell you what I wanna do
Just give love when you want it
And I'll need it tooCause if you want a love that's real
I can give you that
Do you want love or your friend
That's how I feel
I'll be right by your side
I won't listen to no lies
I'll never do you wrong
All I ask is that youDo me right baby
Do me right baby
I don't need nobody else but you
I don't need nobody else
Do me right baby
Do me right baby
And I'll never search for no one newOoh, the man in you
Makes me wanna be a woman
Now let's start up new
We both have played the game of love
Now let's start out fifty-fifty baby
You mean that muchAnd if my love be for real
If that's how we do
Is it for a joy, fun or the long run
Let me know
If you're my only man
You have to understand
I'll never do you wrong
Just as long as youDo me right baby
Do me right baby
And I'll do you the same thing too

Gonna do the same thing for you
Do me right baby
Do me right baby
I tried to make it just like youAre you gonna do me right
Baby I'll do you right
Are you gonna do me right
Baby I'll do you right
Are you gonna do me right
Baby I'll do you rightSo show me baby
Don't just tell me
Love me through the nightDo me right baby
Do me right baby
And I'll do you the same thing too
I'll do the same thing
Do me right baby
Do me right baby
I tried to make it just like youIt's on now
Show you right
Show you rightGirl, you got me giving in to your love
Every day when you're loving me this way
I'm so glad you're mineHey, you know I'm real real satisfied now baby
Your love
I don't wanna go searching, no no
Believe, there ain't no other woman
C'mon, let me sing this song babyDo me right baby
Do me right baby
Just do me right
Do me right baby
