

# Best Days Of Your Life

[Kellie Pickler](#)

Cause I'll be there, in the back of your mind  
From the day we met 'till you were making me cry  
And it's just too bad, cause you've already had the best days  
The best days of your life Ain't it a shame?  
A shame that every time you hear my name  
Brought up in a casual conversation  
You can't think straight And ain't it sad?  
You can forget about what we had  
Take a look at her and do you like what you see?  
Or do you wish it was me Cause I'll be there, in the back of your mind  
From the day we met to the very last night  
And it's just too bad, cause you've already had the best days  
The best days of you life And does she know?  
Know about the times you used to hold me  
Wrapped me in your arms and how you told me  
I'd be the only one I heard about  
Yeah, someone told me once, when you were out  
She went a little crazy ran her mouth about me  
Ain't jealousy funny? Cause I'll be there, in the back of your mind  
From the day we met to the very last night  
And it's just too bad, cause you've already had the best days  
The best days of you life With me was a fairytale love  
I was head-over-heals 'til you threw away "us"  
And it's just too bad you've, cause you've already had the best days  
The best days of your life I heard you're gonna get married  
Have a nice little family  
Live out my dreams with someone new But, I've been told that a cheater  
Is always a cheater  
I've got my pride, and she's got you Cause I'll be there, in the back of your mind  
From the day we met 'til you were making me cry  
And it's just too bad, cause you've already had the best days  
The best days of your life Of your life  
Oh, oh, yeah  
You're gonna think of me  
You're gonna think of me in your life  
Oh, oh, yeah  
It's a shame, it's a shame
