Runs in the Family

The Roches

I can't get over what I saw
I can't change
The law of averages
I'm going downMy uncle did it, my daddy did it
I'm beginning to think
That it runs in the family
Oh no, runs in the familyOne by one
We left home
We went so far out there
Everybody got scaredMy uncle did it, my daddy did it
I'm beginning to think
That it runs in the family
Oh no, runs in the familyAll the boys could've gone to school
All the girls were pretty enough to play the fool
Something about the danger zone
Wouldn't leave the bunch of us aloneI remember that night
It was the one
I picked a fight with you
I'm holding the bag
Just like my mama did
Just like her mama didNow there's gonna be
A new kid in the family
Oh no, kid you're gonna
Run in the family
Oh yeah, kid you're gonna
Run in the family
