When Can I See You Again

Babyface

When can my heart beat again?
When does the pain ever end?
When do the tears stop from running over?
When does 'You'll get over it' begin?I hear what you're saying
But I swear that it's not making sense
So when can I see you?When can I see you again?
When can my heart beat again?
When can I see you again?
When can I breathe once again?
And when can I see you?When does my someday begin?
When I'll find someone again
And what if I still am not truly over?
What am I supposed to do then, babe?Do you see what I'm saying?
Even if, if it's not making sense
So when can I see you?When can I see you again?
When can my heart beat again?
When can I see you again?
And when can I breathe once again?
And when can I see you again?Yeah, baby, do you see what I'm saying?
Even if, if it's not making sense, baby
So when can I see you again?When can I see you again?
Can my heart beat again, baby?
When can I see you again?
And when can I breathe once again?
And when can I see, babe, again?Wanna see you again, again
