

# If I Was The One

Stevie Hoang

I see the way he treats you  
I feel the tears you cried  
And it makes me sad, and it makes me mad  
There's nothing I can do baby  
'Cause your lover is my best friend  
And I guess that's where the story ends  
So I've gotta try, to keep it inside  
You will never be, never be mine but  
If I was the one who was loving you, baby  
The only tears you'd cry would be tears of joy  
And if I was by your side, you'd never know one lonely night  
And if it was my arms you were running to  
I'd give you love in these arms of mine  
If I was the one in your life  
If I could have just one wish  
I'd wish that you were mine  
I would hold you near, kiss away those tears  
I'd be so good to you baby  
You're the one I want next to me  
But I guess that's just not meant to be  
He's there in your life and he's sharing your nights  
It'll never be, never be right  
If I was the one who was loving you, baby  
The only tears you'd cry would be tears of joy  
And if I was by your side, you'd never know one lonely night  
And if it was my arms you were running to  
I'd give you love in these arms of mine  
If I was the one in your life  
Yeah, baby, I wanna reach out and feel you beside me  
Right here beside me, babe, take you in my arms right now  
Scream, 'I love you' right out loud, some day I pray  
That I'll find the strength to turn to you and say  
If I was the one who was loving you, baby  
The only tears you'd cry would be tears of joy  
If I was by your side, you'd never know one lonely night  
And if it was my arms you were running to  
I'd give you love in these arms of mine  
If I was the one in your life  
If I was the one baby, if I was the one

If I was the one in your life  
If I was the one who was loving you, baby  
The only tears you'd cry would be tears of joy  
You'd never know one lonely night  
And if it was my arms you were running to  
I'd give you love in these arms of mine  
If I was the one in your life  
If I was the one, if I was the one  
In your life
