

# First and Only

## Elevation Worship

Draw me again into the center of your love  
Where I began I know that you are still enough  
Lord you restore all the desires of my heart  
Just like before when I discovered who you are I need you more  
I need you more than ever  
I need you more  
Jesus I need you more I will abide, be still and know that you are God  
For you are mine, and in your presence I'm alive  
Here in this place, within your shadow I am safe  
Every mistake fading into the light of grace I need you more  
I need you more than ever  
I need you more  
Jesus I need you more Be my heart's obsession, first and only in my life  
In your love alone my soul is satisfied I need you more  
I need you more than ever  
I need you more  
Jesus I need you more
