A Past and Future Secret

Blind Guardian

Oh, I haven't been here for a while
In blindness and decay
The circle's been closed, nowMy song of the end
My song of the end
I've seen it allListen crowd, I'll tell you everything
Though I have to say I don't know much
Talking about a past and future secret
Most called him once and future kingFar back in the past I saw his ending
Long before it started I knew his name
He's the one who took the sword out of the stone
It's how that ancient tale beganI hear it in the cold windsMy song of the end
My song of the endMy song of the end
I had seen it in my dreams
My song of the end
I can't stop the darkening cloudsI feel cold when I cry out for the bark
Take him back to Avalon
Dwell on for a new age so long sleep, well, my friend
Take him back to Avalon
I will wait and guard the future king's crownMy song of the end
My song of the end
My song of the endMy song of the end
It was nice but now it's gone
My song of the end
It was fixed the whole time
My song of the end
I saw it all
