Heartaches By the Number

Dwight Yoakam

Heartache number one was when you left me
I never knew that I could hurt this way
Heartache number two was when you came back again
You came back and never meant to stayNow I've got heartaches by the numbers
Troubles by the score

Every day you love me less

Each day I love you moreNow I've got heartaches by the numbers

A love that I can't win

But the day that I stop counting

That's the day my world will endHeartache number three was when you called me And told me you was coming home to stay

With hoping heart I waited for your knock on the door
I waited but you must have lost your wayNow I've got heartaches by the numbers
Troubles by the score

Every day you love me less

Each day I love you moreNow I've got heartaches by the numbers

A love that I can't win

But the day that I stop countin'

That's the day my world will endOh, the day that I stop counting That's the day my world will endOne line in reservation, is this
