

Don't Go And Put A Bullet In Your Head

Lenny Kravitz

Yeah
(Thank you Jesus for the song)
Hey Hey hey hey...
Don't do it don't do it Don't go and put a bullet in your head
Just turn your life around instead
Don't go and put a bullet in your head I'm gonna get it
But workin' nine to five just doesn't let it
I feel I'm wastin' time and I regret it
Can't even feed my kids and my wife Oh I'm longing to find it
A taste of the sweeter life oh my
Only takes a little time
(No don't do it) Don't go and put a bullet in your head
Just turn your life around instead
Don't go and put a bullet in your head Oh my oh my
Ain't got no credit
Can't even pay my rent
Where will I get it ? There's a liquor store right down the block I'll get it
Can't even feed the pain in my heart
Oh I'm longing to find
(I'm longing to find) A piece of the bigger pie, oh my
(A different kind)
Only it takes a little time
(A little time)
(No don't do it) Don't go and put a bullet in your head
Just turn your life around instead
Don't go and put a bullet in your head Oh my oh my oh my ... Don't go and put a bullet in your head
Just turn your life around instead
Don't go and put a bullet in your head
Put a bullet in your head, oh my Oh my, put a bullet in your head, oh my
Don't go and put a bullet in your head
Just turn your life around instead
Don't go and put a bullet in your head
Oh my, oh my oh my.
