

Let Me Go

Timothy B. Schmit

Seems these days there is no one talking
Breaking up and they're breaking down
You and I fight almost all night
Leaves us crying in the morning lightNever knowing where we're going
Is it so hard to live together
Living lonely this sadness on me
I just don't want to hurt foreverGive me a break or let me go
Somewhere it's shining
Out in the night I can hear the song
I've made all I can make of broken dreams
Bad scenes and crying
I give and you take - down so low
Love me or let me goCity streets and the people homeless
Can't come up with another chance
You and I - we had so much going
Music plays but we just can't danceYou go your way - I'll go mine
Let's find out what makes life worth living
Nights of laughter - mornings after
Someone wants what I've been givingGive me a break or let me go
Somewhere it's shining
Out in the night I can hear the song
I've made all I can make of broken dreams
Bad scenes and crying
I give and you take - down so low
Love me or let me go
