My Life

Dido

What I choose to do is of no concern to you and your friends
Where I lay my hat may not be my home
But I will last on my own
'Cos it's me and my life, it's my life, it's my lifeOh, the world has sat in the palm of my hand, not that you'd see
And I'm tired and bored of waiting for you
And all those things you never do
'Cos it's me and my life, it's my life, it's my life
