

# Wolf's Mouth

Kevin Devine

I got a wolf's mouth  
And it suits me  
I chew the sides out  
With my sharp teeth I cut my tongue off  
I make my gums bleed  
I scare the people  
Who pay to see me  
When I sing and I saw white steam  
Above your blue face  
It made my hands hot  
It made my lips bake and the sweat just makes my shirt stick  
To that scratch across my ribs  
That space where you fell from  
And I've never sewn up since I'm trailing off again  
I'm trailing off again  
I'm trailing off again and the strain just makes my face tick  
And it messes with my head  
A space you tore open  
Well I've had trouble sealin' it I got a wolf's mouth  
I got a wolf's mouth  
I got a wolf's mouth  
I got a wolf's mouth  
I got a wolf's mouth
