

# Color Wheel

## The Pop Ups

Jason: red!  
Jacob: mixed with yellow makes orange, you fine fellow  
Jason: Oh why thank you...Blue!  
Jacob: mixed with yellow makes green  
Jason: what do you mean? Blue!  
Jacob: mixed with red makes purple  
Jason: Do I see a circle?  
Jacob: colors make other colors  
Jason: what a scene Jason: Ok, lemme try...blue mixed with green  
Jacob: makes...well...blue green (or turquoise)  
Jason: hmm...OK...green mixed with yellow!  
Jacob: makes yellow-green...  
Jason: well that's not a very exciting...  
Jacob: sorry about that...a bird singing sweetly, makes a very pretty sound,  
Jason: but look! green mixed with red,  
BOTH: makes brown!!!!color wheel color wheel  
pink like a salmon  
or yellow like cornmeal  
Jason: whether shiny like a ribbon  
Jacob: or with a duller appeal..  
BOTH: Colors mixed with colors makes other colors real Jason: Red like an apple  
Jacob: or a fire truck  
Jason: blue like the sky  
Jacob: or like the sea  
Jason: yellow like the sun  
both: or like a lemon  
Peter: That's the one  
Jacob: well my friend, we have begun  
Peter: I think I agree Color wheel, color wheel! pastel like a painting or electric like an eel  
whether you match them or you mix them  
our prices are a steal!  
Colors mixed with colors make our lovely color wheel
