Here`s That Rainy Day

Sue Raney

Maybe I should have saved those left over dreams
Funny, but here's that rainy day
Here is that rainy day they told me about
And I laughed at the thought that it might turn out this way
Oh where is that worn out wish I threw a sigh
After it brought my love anear
Oh, its funny how love becomes a cold rainy day
And it's funny that rainy day is here

Funny but here's that rainy day

And I laughed when you think that it all turned out this way
Where is that worn out wish that I threw a sigh
After it brought my love anear
Yes it's funny how love becomes such a cold rainy day
And it's funny that rainy day is here.
