

Kings of Metal

Beatsteaks

Manowar, Manowar living on the road

When we're in town, speakers explode

We don't attract wimps 'cause we're too loud

Just true metal people that's Manowar's crowdThey wanna keep us down but they can't last

When we get up, we're gonna kick your ass

Gonna keep on burnin', we always will

Other bands play Manowar kill

Other bands play Manowar killWe like it hard, we like it fast

We got the biggest amps, man they blast

True metal people wanna rock not pose

Wearin' jeans and leather, not cracker jack clothesThey wanna keep us down but they can't last

When we get up, we're gonna kick your ass

Gonna keep on burnin', we always will

Other bands play Manowar kill

Other bands play Manowar killWe're the kings of metal comin' to town

When we light up, have the roof nailed down

Don't try to tell us that we're too loud

'Cause there ain't no way that we'll ever turn downThey wanna keep us down but they can't last

When we get up, we're gonna kick your ass

Gonna keep on burnin', we always will

Other bands play Manowar kill
