Alone

Catpeople

maybe keep moving i am waiting on the ground
now im not your lover cause i played with the bed
wait for oportunity this worried to the rest
the secondary school you have to prove and you pretend
im gonna love you not tonight,im gonna love you not tonight

look them on the bitches they are pendant for you
i was alone you wanted to show
i cant remember the way to paradise
im gonna love you not tonight,im gonna love you not tonight

hold them and keep my dreams i desire to be free
i feel so sure you get you every want
i cant remember the way to paradise
im gonna love you not tonight,im gonna love you not tonight

i dont pretend, take off your mess
take out mistakes,leave to me hide

i dont pretend, listen my voice
tell me the truth, tell me the truth
i lost now, i lost now, i lost my bed why? (tonight)
