Touch

U2

Thank you
Don't mention it
I'm pleased to meet you
Don't think I'm very good at this
Let me showI don't wanna know
I just wanna go (down)F-f-falling the world is by your side
Falling did you find a place to hideI just wanna know
I just wanna goT-t-touching you
T-t-touching you
T-t-touching youShe said, the twenty second floor
But I said, I can't think what it's forI just wanna know
I don't wanna goT-t-touching you
T-t-touching you
T-t-touching youI'm t-t-touching you
T-t-touching you
T-t-touching youT-t-touching you
