Wetspots

Channel 3

Haven't I seen your face before
Weren't you down on the kitchen floor
Grandma lost her hearing aid
Let's go have fun with the maidWetspots, when I talk to you
Wetspots, give you a clue
Can't help it, can't hide my thoughts
Can't help it, can't hide these spotsWhen you hold my hand that way
My emotions hit the fray
Can't hold back my strong emotions
Can't control this magic lotion
Wetspots, when I talk to you
Wetspots, give you a clue
Can't help it, can't hide my thoughts
Can't help it, can't hide these spotsI don't know if you know
What I feel down so low
All I know is a sudden surge
I'm a normal growing boy
Got a normal growing urge
Wetspots, when I talk to you
Wetspots, give you a clue
Can't help it, can't hide my thoughts
Can't help it, can't hide these spots
