We Ain't Out of Love Yet

Randy Travis

You can throw away my picture, empty out my dresser drawer
Break up all the dishes, change the lock on the door
But you can't erase my memory, no matter how you try
It don't mean its over, just because you said goodbye
I'm sorry that I hurt you, but you made me so mad
If I don't care about you, why do I feel so bad
We're almost out of sugar, and our matches got wet
But we ain't out of love yetWe ain't out of love yet lets not do something hasty,baby,that we'll regret
Our lovin' cup ain't empty, there's still plenty left
We ain't out of love yetWe might run out of gas and be left out in the rain
Could run out of cigarettes or money again
A little out of touch or just plain out of our heads
But we ain't out of love yetWe ain't out of love yet
Lets not do something hasty, baby, that we'll regret
Our lovin' cup ain't empty there's still plenty left
We ain't out of love yet
