Atmosphere

Kingswood

We grew up so fast, I didn't know.
Cut away the cast, and watch you go.I'm lost I don't know why you left me here.
What's the cost of one goodbye in the atmosphere.Always thought the worst, left alone.
Waiting for the day, you come home.We grew up so fast, I didn't know.
Cut away the cast, and watch you go.I'm lost I don't know why you left me here.
How do we reset? Rewind on the cassette.
What's the cost of one goodbye in the atmosphere.
How do we reset? Rewind on the cassette.
I'm lost I don't know why you left me here.
How do we reset? Rewind on the cassette.
(Never thought this atmosphere)
What's the cost of one goodbye in the atmosphere.
How do we reset? Rewind on the cassette.
(Love it how this atmosphere)I swept you off your feet when things got rough.
I never had you beat for long enough.Always thought the worst, left alone.
Waiting for the day, you come home.We grew up so fast, I didn't know.
Cut away the past, and watch you go.I'm lost I don't know why you left me here.
How do we reset? Rewind on the cassette.
What's the cost of one goodbye in the atmosphere.
How do we reset? Rewind on the cassette.
I'm lost I don't know why you left me here.
How do we reset? Rewind on the cassette.
(Never thought this feeling would be possible, I hope it never ends.)
What's the cost of one goodbye in the atmosphere.
How do we reset? Rewind on the cassette.
(Love it how this atmosphere is flawless can we hold it let's suspend.)
I'm lost I don't know why you left me here.
How do we reset? Rewind on the cassette.
(Never thought this feeling would be possible, I hope it never ends.)
What's the cost of one goodbye in the atmosphere.
How do we reset? Rewind on the cassette.
(Love it how this atmosphere is flawless can we hold it let's suspend.)
