Hard To Say Goodbye

Karyn White

I'm not happy
'Cause I lost someone who was mine
As I face the morning without him?
Now all I do is cry
If I was more gentle and sentimental
Then he'd be here with me
But I took the man for granted I was so demanding
Now all I feel is miseryNo, never wanna let ya go
(So hard to say goodbye)
I don't ever wanna leave you
(So hard to say goodbye)
Oh, I'm still in love, baby, now I know
So hard to say it
So hard to tell you
GoodbyeIs a word that I've always feared
Cause it makes me think that forever
Has almost disappeared to a haunted memory
That's so strong and I can't forget
Anytime I hear the phone ring I start to daydream
It's you are on the other line and you keep asking me why
Oh why did we ever break up
Why can't we make up and give our love just one more try?
My whole body is falling apart
Without you I'm lost
I need you, I need you right here with meOh, I don't ever wanna give you up
Too hard to say goodbye
I don't ever wanna leave you
Too hard to say goodbye
Oh, I'm still in love, baby, now I know
Too hard to say it
So hard to tell you
Baby, I need you right here
GoodbyeDon't let me go, I need you, baby
So hard to tell youIf I was more gentle and sentimental
Then he'd be here with me
Now my world is falling apart
Without him I'm lost
I need him, I need him right here with meIt's so, so hard to say goodbye
Aw baby, don't go

So hard to tell you goodbye
I don't never want to let you go, baby
I never want to see us break up
Oh baby, you will try to make up
I never want to lose you cause you mean so much to me
I'll never take your love for granted
Oh baby, give our love a chance
It's so hard, I don't wanna let you go
It's hard to say goodbye
