

# Run From Tears

## Crosby, Stills & Nash

I don't run from tears  
That's my weakness  
But I know you still love me  
Though you don't believe it  
And I never thought that you we were a loser  
Only didn't hear enough of the songs  
Everything was always going to be smoother  
All we needed was some time left alone  
Something special is in me dyin'  
Are you punishing me for my weakness?  
When you know about me girl

I cannot be beaten down too far  
And I didn't mean to take you for granted  
Only knew that it felt good at home  
But you left me so disenchanted  
I was blind of course until you were gone  
Girl yeah, I'm drownin', I'm fightin'  
Something special is in me dyin', yeah  
There's an empty place in my bed  
And my heart is beating against my head  
The blood rushing through my veins  
Becomes a flood of tears, once again
