

# Megatronic

## Powerman 5000

Don't you know what I've got you always got?  
Can see right through you  
Through the lies and through the trouble  
Tricks and check what you are doing When you're crying in the corner  
Over there you seem pathetic  
Yeah, now drop this mega bombshell  
'Cause believe you won't forget it Don't you know  
I am the Megatronic?  
Don't you know  
I am the one? Don't you know  
I am the Megatronic?  
Don't you know  
I am the one? Don't you know how I stand up?  
You're brainless if you've got one  
Wasting it, they're here to take us  
Now I'm louder than a shotgun Load it down and don't give up  
And put some plastic, steel and wire  
When I rock, I rock the planets  
Maybe later I'll retire Don't you know  
I am the Megatronic?  
Don't you know  
I am the one? Don't you know  
I am the Megatronic?  
Don't you know  
I am the one? Let it go and let it fly  
And let it bust into the new world  
Let it live or let it die  
A message sent, it was so wacky Almost gone and almost gone  
And if it's gone, it's gone forever  
And they're trooping with their training  
Because no one does it better Don't you know  
I am the Megatronic?  
Don't you know  
I am the one? Don't you know  
I am the Megatronic?  
Don't you know  
I am the one? Don't you know  
I am the Megatronic?  
Don't you know

I am the one?Don't you know  
I am the Megatronic?  
Don't you know  
I am the one?
