

# Sweet Wine of Love

**Robin Trower**

Let's throw a party, let's invite every body  
Let's drop some glasses on the floor  
Turn up the noise, have some fun with the neighbour  
Let's have them bangin' on the door  
We're havin a party, everyone is invited  
Welcome to our wedding night  
Ring up some friends, and I ask them all over  
Let's do this whole thing right[chorus]  
Then we'll turn out the lights, when they've all said goodnight  
Let the sweet wine of life ever glow  
Turn out the lights, when they've all said goodnight  
Let the sweet wine of love overflowLet's sit down in the streets, with a feeling and dealing  
Love gonna crowd us, see the light  
And a smile at the window, but they know how we're feeling  
Welcome to our wedding night[chorus]  
Yes, we'll turn out the lights, when they've all said goodnight  
Let the sweet wine of life ever glow  
Turn out the lights, when they've all said goodnight  
Let the sweet wine of love overflow[chorus]  
And we'll turn out the lights, when they've all said goodnight  
Let the sweet wine of life ever glow  
Turn out the lights, when they've all said goodnight  
Let the sweet wine of love overflowLet the sweet wine of love overflow
