

Art of Moving On

Heffron Drive

I donâ€™t remember what we might have said
And I didnâ€™t bother to write it down any how
Now all of the memories spun like a web
And I canâ€™t get out, get out, get out.

I gave everything I got not to lose you,
We chose to say goodbye but I choose you
I choose you.

I keep building walls but youâ€™re always on my mind
Wonâ€™t let them fall down Iâ€™m tired can we give up
the art of moving on, on, on.

It keeps me up all night, all night, oooohh

Feels like Iâ€™m stuck here frozen in time
If it wasnâ€™t real then I wonder what really is
And if thereâ€™s a world where you could be mine
Well thatâ€™s where Iâ€™d live, Iâ€™d live, Iâ€™d live-

Gave everything not to lose you, not to lose you.

I keep building walls but youâ€™re always on my mind
Wonâ€™t let them fall down Iâ€™m tired can we give up
the art of moving on, on, on.

It keeps me up all night, all night, ooooh

Gave everything I got not to lose youâ€¦ not to lose you
We chose to say goodbye but I choose youâ€¦ I choose you

I keep building walls but youâ€™re always on my mind
Wonâ€™t let them fall down Iâ€™m tired can we give up
the art of moving on, on, on.

It keeps me up all night, all night, oohhh
