

(Probably) All In the Mind

Oasis

Show me who you are
I'll show you what you love
I'll give you half the world if that's enough
Let me take you down
Let me hear you smile
Let me rest my head here for a while
In the end we'll leave it all behind
Because the life I think I'm trying to find
Is probably all in the mind
Show me who you are
I'll show you what you love
I'll give you all the world if that's enough
In the end we'll leave it all behind
Because the life I think I'm trying to find
Is probably all in the mind
In the end we'll leave it all behind
In the end we'll leave it all behind
Because the life I think I'm trying to find
Is probably all in the mind
It's all in the mind
It's all in the mind
