

Just Like The Weather

Dudek Finnigan Krueger Band

Here I am right where you left me
Iâ€™m not quite as lost as you thought Iâ€™d be
Havenâ€™t you heard â€“ Havenâ€™t you heard
Must I tell you everything
I think you should

Start considerinâ€™ the truth in words
And just whoâ€™s your friend
You might save the cost for your sufferinâ€™

Just like the weather
Weâ€™re always changinâ€™
Just like the weather
Weâ€™re rearranginâ€™
For the better I hope youâ€™ll see
That this hurricane wasnâ€™t meant to be

Yes I cried just like I did then
But my reasons they just werenâ€™t the same

So here we go again
But this time weâ€™re friends
â€˜Cause we paid the cost
For our sufferinâ€™

Just like the weather
Weâ€™re always changinâ€™
Just like the weather
Weâ€™re always changinâ€™
Just like the weather
Weâ€™re always changinâ€™
Just like the weather
Weâ€™re rearranginâ€™
For the better I hope youâ€™ll see
That this hurricane wasnâ€™t meant to be

(2nd chorus)
