

Underneath the Stars

[Kate Rusby](#)

Underneath the stars Iâ€™ll meet you
Underneath the stars Iâ€™ll greet you
And there beneath the stars Iâ€™ll leave you
Before you go of your own free will

Go gently

Underneath the stars you met me
Underneath the stars you left me
I wonder if the stars regret me
At least youâ€™ll go of your own free will

Go gently

Here beneath the stars Iâ€™m lending
And here beneath the stars not ending
Why on earth am I pretending?
And here again the stars befriending
They come and go of their own free will

Go gently

Go gently

Underneath the stars you met me
And underneath the stars you left me
I wonder if the stars regret me
Iâ€™m sure theyâ€™d like me if they only met me
They come and go of their own free will

Go gently

Go gently

Go gently
