

Skin Deep

[Cher](#)

You came on to me a house on fire
One look was all it took for my desire
I'm still burnin'
It's the middle of the night
I need somethin"
That can make me feel alright as I goSkin deep-to the bone
Every time I see your face I go
Skin deep-to the bone
Tellin' me that I'm in trouble
S.O.S.
I'm in distress -tonightKnock knock in the dark-what will I find
Your eyes-hypnotize-but can they read my mind
Watch your step now
We're gettin' closer to the edge
This is dangerous
And all the lights are flashing red as I goSkin deep-to the bone
Every time I see your face I go
Skin deep-to the bone
Tellin' me that I'm in trouble
Skin deep-to the bone
Every time I hear your voice I go
Skin deep-to the bone
Tellin' me that I'm in trouble
Too far gone
Can't hold on-tonight-not tonightI'm still burnin'
It's the middle of the night
I need someone
Who can make me feel alright as I goSkin deep-to the bone
Every time I see your face I go
Skin deep-to the bone
Tellin' me that I'm in trouble
Skin deep-to the bone
Every time I hear your voice I go
Skin deep-to the bone
Tellin' me that I'm in trouble
Too far gone
Can't hold on-tonight-not tonight
