

# Lament

## Youn Sun Nah

I'm not ready to play  
I'm not ready to fight  
I'm not ready to be the prey of this one-sided game  
I'm not ready to climb  
I'm not ready to reach there  
I'm not ready to see you're not the higher hill appear  
I'm not ready to scowl  
I'm not ready to smile  
I'm not ready to speak out from the bottom of my heart  
I'm not ready to stay  
I'm not ready to go  
I'm not ready to let my thoughts eclipse upon your soul  
I'm always on the run and I hate copy paste for god's sake  
Lament for cupid  
Compass not active  
Dull night is trembling again  
Memories are sinking down  
Lament for cupid  
Compass not active  
Dull night is trembling again  
Memories are sinking  
I'm not ready to smile  
I'm not ready to speak out from the bottom of my heart  
I'm not ready to stay  
I'm not ready to go  
I'm not ready to let my thoughts eclipse upon your soul  
I'm not ready to fly  
I'm not ready to give up  
I'm not ready to escape and leave no traces behind you
