Million Miles Away

Eclipse

I am out of love
I am out of tears
You know l've had enough
Gotta disappear
I tried to give it all my heart and soul
I'm really close to freaking out
God l hate control
I can't be
No more than me
I got to break this chain
A million miles away
I am gone
Yeah I am done
Got to break this chain
A million miles away
I'm a simple man
With simple needs
I don't ever worry
But this time I bleed
Yeah, I kind of like the way I am
I tried to change to fit in
Your stupid plan
Coz I can't be
No more than me
I got to break this chain
A million miles away
I am gone
Yeah I am done
Got to break this chainA million miles away
Yeah
I can't be
No more than me
I got to break this chain
A million miles away
I am gone
Yeah I am done
Got to break this chain
A million miles away
A million miles away

A million miles away
A million miles of you
Woh oh oh Yeah
A million miles away
