

# Wiggle Worm

## G. Love & Special Sauce

Have you seen the wiggle worm

Smaller than a tiny germ

he has got a great big appetite

Though he isn't Very big

He eats more than any pig

Always looking for someone to biteChorus:

(O) Never wiggle wiggle wiggle

Never giggle giggle giggle

Better squash the wiggle worm when you feel the urge to squirm

In your church on sundays

In your school on mondays

Fight off the wiggle wormVerse 2:I was in my Sunday seat

Sitting still and being sweet

When I saw him crwaling up my shoe (whoo hoo)

(Spoken) wiggle worm don't bother me, well have a catastrophe

(Sing again) then I kicked him out of Sunday school(Repeat chorus then go to ending\*)\*Ending:Fight off the

wiggle, fight off the wiggle

Fight fight off the wiggle worm!!
